

Name: AVNEESH KUMAR    Profile: Digital Marketing    Date: 03/05/2024

1. How are you the right candidate for this job?

Because I am a quick learner and good knowledge of digital marketing so that's why I am right candidate for this job. Besides it I have good communication and problem solving skills. I assure you will never regret on the decision to hire me.

2. What inspires you to come for work every day?

My growth for my carrier inspires me to come for work every day. Because of by working every day my skills will be improved by which I can grow up financially and Professionally.

3. How long do you plan to remain with us and where do you see yourself in five years?

As long as possible I plan to remain with you. After five years I see myself at upper position in your company and financially fit for myself.

4. What kind of senior are you expecting with whom you want to gain the technical skills?

I expecting a kind of senior with whom I can share my views and ideas for organization growth. The senior who respect myself and teach me how to work more effectively with the organization.

5. What is your ideal company where you want to start your career?

The ideal company from where I start my carrier is where the working environment is good, good senior where I can share my views and ideas without any hesitation towards growth of company and personally also.

6. Write about any current affairs and what are your points of view for the same topic?

At this time the current affairs are on the polls of election. My point of view on the election polls are the B.J.P. have good chances to come in power again. Because by seeing the debates on politics I write this. B.J.P. works for whole country not for their personal growth.
